

**Premier Consultants International Inc (Premier)** began as a management consulting firm in November 2000 and has grown into a firm doing business in Federal program management, metals distribution and construction services.

Premier is a 1<sup>st</sup> tier subcontractor currently on the following large (\$500M plus) Federal projects: Walter Reed National Military Medical Center, Bethesda, MD;

New Campus East Facilities, Fort Belvoir, VA; Fort Belvoir Community Hospital, Fort Belvoir, VA; USAMRICD, Aberdeen Proving Grounds, MD and US Marine Corps BEQ 4 and 7, Camp Pendleton, CA. Our current projects represent a backlog out to September 2013 and represents \$37M in contract value. The company's construction operations center on the installation of architectural woodwork; installation of laboratories and medical furnishings and equipment; countertops; bathroom fixtures and accessories; and providing commercial flooring products.

Premier is or has provided prime (1<sup>st</sup> tier) and sub-contractor support to The Berlin Steel Construction Company; Clark Construction Group, LLC; Clark Residential, LLC; Clark-Balfour Beatty, a Joint Venture; ISEC, Inc; Turner –Gilbane; and Turner-Penick.

Premier has a strategic partnership with the Berlin Steel Construction Company and ISEC, Inc that includes \$20M plus bonding capacity on joint projects.
